AW421

Industrial Cleaner

KEY BENEFITS SUMMARY

- Powerful cleaning solution that removes most adhesives and sealants
- Ideal for degreasing surfaces that are not sensitive to solvents such as metal, ceramics and glass
- Suitable for cleaning tools and equipment after use
- Can be used as a thinner to reduce viscosity of solvent based adhesives

PRODUCT INFORMATION

Description

Tremco AW421 is a powerful solvent-based cleaning solution for dissolving and removing mastics, adhesives and sealants.

Usage / Purpose

Tremco AW421 will remove many common adhesives and sealants, particularly in the uncured state.

The product may also be used for cleaning and to degrease other surfaces that are not sensitive to solvents such as metal, ceramics and glass.

The product can also be used to dilute illbruck CT113 Contact Adhesive, in order to achieve a consistency suitable for use as a surface primer.

LIMITATIONS

The product is not suitable for use on materials and surfaces which are sensitive or prone to solvent attack.

Colour

Clear

Packaging

5 litre screw top can

Availability

Direct from Tremco illbruck (see back of leaflet for address and telephone details) or via approved distributors.

TECHNICAL INFORMATION

Composition

Tremco AW421 is a specially formulated blend of aliphatic hydrocarbon solvents

USAGE GUIDELINES

Method of Application

Always carry out a test to confirm compatibility prior to use. Generally it is advisable to apply the cleaner as soon as possible before skinning or curing has started to occur. Apply with a soft clean cloth or paper wipe. Remove with a second soft clean dry cloth or paper wipe.

Health & Safety Precautions

Product Safety Data Sheet must be read and understood before use. For professional users only.

Storage

Store in shaded dry conditions between +5°C and 35°C.

Shelf Life

12 months when stored as recommended in original unopened containers.

Technical Service

Tremco illbruck has a team of experienced Technical Sales Representatives who provide assistance in the selection and specification of products. For more detailed information, service and advice, please call Customer Services on 01942 251400.

Guarantee / Warranty

Tremco illbruck products are manufactured to rigid standards of quality. Any product which has been applied (a) in accordance with Tremco illbruck written instructions and (b) in any application recommended by Tremco illbruck, but which is proved to be defective, will be replaced free of charge.

No liability can be accepted for the information provided in this leaflet although it is published in good faith and believed to be correct. Tremco illbruck Limited reserves the right to alter product specifications without prior notice, in line with Company policy of continuous development and improvement.
